On this tenth annual ride to Boston's Harbor Islands (we skipped 2004), we'll bike a total of 32 miles from Charlestown, starting along the waterfront, then through Everett, and Chelsea to East Boston. We'll follow the East Boston Greenway and streets to Revere, then go south along the shore through Winthrop to the tip of Deer Island. We'll ride back through East Boston, stopping at Constitution Beach for lunch (there are lots of fast food places over the footbridge on Bennington St.), then across Chelsea to the Mystic River and back to Charlestown.

Photos of the ride will be accessible from <http://www.masspaths.net/rides/DeerIsland2013.html>
